In re Application of
LECOMPTE et al.
Application No. 10/019,047
Filed: December 26, 2001
For: **DIRECT BROADCAST SATELLITE
IMAGING SYSTEM PROVIDING REAL-
TIME, CONTINUOUS MONITORING OF
EARTH FROM GEOSTATIONARY EARTH
ORBIT**

This is a decision on the request to withdraw as attorney/agent of record filed on October 1, 2003 (paper No. 12) and supplemented on November 13, 2003 (paper No. 14). Petitioner's supplement was not matched with the application prior to the mailing of the original Decision on November 14, 2003 (paper No. 13). While it is noted that the supplemental petition to Withdraw as Attorney was not signed, the combination of the original submission, the cover letter for the supplemental petition and the supplemental petition itself, taken in combination, is considered to meet the signature requirements of 37CFR § 1.4.

A grantable request to withdraw as attorney/agent of record must do the following:

- (1) indicate the present mailing address of the attorney(s)/agent(s) who seek(s) to withdraw, and
- (2) be signed by each attorney/agent seeking to withdraw or clearly be signed on their behalf, and
- (3) be *approved* at least thirty (30) days prior to the maximum extendable period for response to any outstanding Office Action, and
- (4) indicate the address to which future correspondence should be mailed.

Petitioner has met all of the above requirements. Accordingly, the request is **GRANTED**.

All attorneys associated with Customer Number **22850** have been withdrawn.

A courtesy copy of this corrected decision will be sent to the address listed below. Further communications will continue to be directed to the address listed above until such a time as applicant properly notifies the Patent and Trademark Office of a change of address.

The file is being returned to the Technology Center's Central Files to await action by the examiner in appropriate time.
